

With your support the Mohonasen Foundation provides grants for innovative programs that support educational opportunities for a diverse community. The Foundation has distributed over \$250,000 for grants in the areas of science, health, physical education, the arts, social studies, and career education. The golf tournament is the primary source of funding for the foundation and your donation is tax deductible. Thank you for your support and for helping to make a difference for the students of Mohonasen.
